UNDER 37 C.F.R. § 1.181(b)**

Mail Stop Petition
Commissioner for Patents
PO Box 1450
Alexandria, Virginia 22313-1450

Sir:

The present case is legally abandoned because a reply was never made to an Office Action mailed by the Patent Office on March 19, 2003. However, the Office Action was never received by Applicant's attorney at the address of record.

Attorney San Pietro received a telephone call from Examiner Jones on or around October 30, 2003 requesting to know if the Applicant planned to abandon the case. The attorney reviewed the case file and later informed the Examiner that more than 6 months had passed since the Examiner stated he had mailed an Office Action, and that no reply had been made because the Office Action was never received at the address of record. The attorney notified the Examiner that the Applicant did not intend to abandon the case, and requested that the Office Action be faxed to him. A facsimile copy of the Office Action was received by Applicant's attorney on or around the following day.

Atty. Dkt. No. 072827-1002

The Office Action apparently was inadvertently mailed to the previous address of record, even though a Change of Correspondence Address and a separate Power of Attorney document also requesting an address change (copies attached as Appendix A) was mailed to the PTO well before dispatch of the Office Action by the PTO, i.e., on April 20, 2001. These documents directed that correspondence be sent to the present address of record.

The present address of record is repeated below:

Foley & Lardner
402 West Broadway, Suite 2300
San Diego, CA 92101-3542

Under the reasoning of *Delgar*, the Office may consider a petition to withdraw the holding of abandonment and, if adequately supported, should grant the petition and re-mail the Office Action. *Delgar v. Schulyer*, 172 USPQ 513 (D.D.C. 1971). MPEP 711.03(c)(II).

Also attached are a copy of the Office Action supplied through the Examiner's courtesy, showing it was mailed to an incorrect address (Appendix B), and a copy of the relevant docket record of Applicant's attorney, illustrating that the Office Action mailed March 19, 2003 was not recorded on the docket record (Appendix C).

In view of the above evidence, Applicant hereby petitions for withdrawal of the holding of abandonment and requests the Office Action be remailed to the correct address of record and that Applicant given an opportunity to respond.

Atty. Dkt. No. 072827-1002

No fee is believed due with this petition per 37 CFR 181 (d), but the Commissioner is hereby authorized to charge any fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 50-0872. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 50-0872.

Respectfully submitted,
